Hon'ble Dr. Vishwajeet Kadam
(B.E., MBA, Ph.D.)
Secretary, Bharati Vidyapeeth, Pune

Message From The Secretary

At the very outset, I on behalf of Bharati Vidyapeeth, Pune would like to wish all the students of BVIMIT, Belapur, Navi Mumbai a very challenging and successful career. I am sure with all the valuable inputs given to you by our experienced and qualified faculty; excellent infrastructure and instructional facilities; the institute will definitely groom all students to serve as worthy assets to the nation whether in the corporate world or social value system.

Bharati Vidyapeeth University believes in the motto “Social Transformation through Dynamic Education” and thereby enhances the skill – sets of the students.

Bharati Vidyapeeth with decades of expertise in the educational field has the richness and depth of eminent business schools, yet, every student receives individual attention and concern. I, therefore, make an appeal to our learned faculty to give an opportunity to the students of Bharati Vidyapeeth’s Institute of Management Studies & Research, Belapur, Navi Mumbai to continuously strive for excellence with moral responsibility in the diverse field of education in particular and life in general.

DR. VISHWAJEET KADAM

Dr. Vilasrao Kadam
Regional Director,
Bharati Vidyapeeth Educational Complex
Navi Mumbai

From the Regional Director's Desk

Academic is the backbone for all the fields to grow. Seeing this fact today's time needs spontaneous intellectual growth that is not at all possible without the help of technology. BVIMIT is no exception. But I have to say it's a milestone which has made its own name nation and worldwide. We have a chain to support each other everywhere and a strong believe to soar in the sky.

Dr. Suhasini Vijayakumar

Principal

Bharati Vidyapeeth's Institute of Management
and Information Technology, Navi Mumbai

Principal's Message

I would like to extend my sincere gratitude to each and every one of our stakeholders – our corporate and academic partners, alumni, faculty and students who have believed in us and supported us through our journey of becoming a successful technical and management institute over the past decade.

Meeting the challenging IT requirements of the corporates is the prime responsibility of software engineers, BVIMIT, spares no effort to make its curriculum meaningful addressing the requirement. A team of dedicated faculty with a judicious blend of academic and industry background has made the delivery of the MCA programme most effective to end users.

The Master of Computer Applications (MCA) programme is affiliated to University of Mumbai. The course is approved by AICTE and enables the students to comprehend the concepts and functional aspects of Information Technology.

Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavor and their hard work. Our students are equipped with the necessary skills that creates successful IT managers and entrepreneurs

About IMIT

Information Technology has invaded our society in a very significant manner. Hence to keep pace with the modern times, the year 2002 marked the establishment of Bharati Vidyapeeth's Institute of Management & Information Technology. At BVIMIT, we impart I.T. Management education to meet the demand of the I.T. Industry.

At BVIMIT, learning becomes a wonderful experience, using a mix of Exploration, Exchange, Interaction, Sharing and Caring. The team of dedicated faculty members plays an important role in providing the right stimulus, provoking thought and encouraging exploration. The institute offer well-designed MCA courses affiliated to Mumbai University with the intake of 120 students. The institute always has considered the growing need of the faculty members in the area of their studies. To fulfill the gap the Institute conducts FDP's for Faculty development. The institute has highly qualified faculty member.

Infrastructure of IMIT

Infrastructure of IMIT

Institute has adequate academic infrastructure and facilities in the Institute premises. These facilities are according to the norms and requirements of AICTE, New Delhi, DTE, Mumbai and University of Mumbai. The management of the institute takes proper steps to maintain this academic infrastructure and facilities.

The Institute has a sprawling campus. Nestled amongst beautiful hills and spread over 0.5 acres, one would not imagine that this serene campus is in such proximity to the industrial belt that employs millions and contributes so much to the state and even the country.

The academic infrastructure facilities includes adequate fully equipped classroom with bench, computer with roof mounted projectors installed in each classrooms, internet facility with Wi-Fi connectivity is provided in entire building and Institute premises. It also includes Playground, and Sports Facilities, Canteen and Medical room with first aid facility and common room for boys and girls along with seminar hall.

Library Facilities

BVIMIT Library is at the heart of the Academic Centre, designed to meet the academic and research needs of the students. BVIMIT Library is an open system. Library is stocked with subject related books. Books on competitive examinations, National and International Journals, Magazines, newspapers both English and local language, CD and research reports. For the smooth running of book distributions KOHA & OPAC Software is used in Library. It provides

physical or digital access to material, and may be a physical building or room, or a virtual space, or both. The library holds an enviable collection of a large number of books, research reports, magazines, journals and periodicals. It is well stocked with 12295 books and subscribes to 12 national & international journals and 11 newspapers.

IT Infrastructure

Institute is having total 6 computer labs, 200 desktop computers with I-3 & I-5 processors. Desktop computers are organized in computer laboratories, language lab, faculty cabins and administrative office.

Internet of 100 Mbps network on optical fiber. Desktop computers are also made available to all the students and faculty during the college working hours and also extended hours as per the need. All the faculties are provided with desktop computers in their respective cabins. Licensed software such

as Microsoft Window XP, ORACLE, MS SOL, ENG AE MOLP, Visual Studio, Tally, Turbo C, Red Hat Linux, Insta Recovery, Quick Heal Antivirus, Firewall, JDK.7, Net Beans IDE, Eclipse, Adobe PDF Reader, JAVA Devt. Kit etc.

Entrepreneurship Cell

BVIMIT's Software entrepreneurship Cell is an approach, which is to be designed to spark strategic partnerships between academia and industry; incubation cell will connect students to startups, investors and other collaborators they might not otherwise encounter.

Canteen

The college runs a well-maintained canteen in its premises which is open on all working days from 9:00 am to 5:00 pm. It has a seating capacity of 50 people and many more can be accommodated in the central lawn.

A variety of refreshments are available and the menu changes on a daily basis. Prices of two food items, that is, readymade tea and bread pakoras are controlled and rest of the food items are available at reasonable price which is well below than the market rates. Care is taken to maintain adequate hygiene in and around the canteen.

ICET 2022

International conference on Emerging Trends: Innovations & Challenges in Information Technology & Management

International conference on Emerging Trends: Innovations & Challenges in Information Technology & Management, ICET 2022, organized by Bharati Vidyapeeth's Institute of Management & Information Technology on 24th and 25th June 2022.

ICET 2022 is organized for the presentation of technological advancement and research in the field of theoretical, experimental and applied area. ICET 2022 has a profound influence on all the braces of computer applications, computer science and management as well. New technologies are constantly emerging which are enabling application in various domains and services.

Our conference is associated with two journals. Conference proceedings will be published in International Journal of Computer Applications and also the best quality papers will be published in International Journal of Information Technology, which is Scopus indexed and published by Springer Nature. Total 124 papers received in the conference and after checking plagiarism the papers were sent for blind review. After the review process, 39 papers were selected for presentation. The conference started with the welcome and opening ceremony on first day at 11.00 am.

After the welcome address, the chief guest and Keynote speaker Dr. Atul M. Gonsai, Department of Computer Science, Saurashtra University, Rajkot and Guest of Honour- Mr. Vinay Arora, Delivery Head-Security, NGM India FS(Senior Consultant)at TCS, addressed the conference. Chief Guest and Keynote speaker shared knowledge and rich experience of application of ICT in their companies.

The paper presentations were scheduled in 5 tracks. The first three tracks were conducted parallel on first day of conference after lunch break and the remaining two tracks were conducted parallel on second of conference.

Hundreds of attendees, paper presenters and students have benefitted in many ways from this conference. Hundreds of attendees, paper presenters, keynote speakers & students have benefitted in many ways from this conference. 26 papers were presented by author's .Invited; Keynote & Speakers from different domain addressed audience and shared knowledge and rich experience of application of ICT in their companies.

<p>ABOUT BHARATI VIDYAPEETH Bharati Vidyapeeth was established in 1964 by Dr.Patangrao Kadam working on the theme, "Social Transformation through Dynamic Education" keeping the objective of intellectual awakening and all round development of people in different spheres such as education, economic, social and cultural fields in India. ICET 2022

IMPORTANT DATES

Abstract Submission : 04th April 2022
 Full Paper Submission : 03th May 2022
 Acceptance Notification : 04th June 2022
 Last Date for Registration: 15th June 2022

PAPER SUBMISSION

- Submit only novel, previously unpublished papers in the area of computer applications and Information Technology. The first page of the manuscript must include the title, authors with affiliations and detailed address including email, abstract and at least 5 keywords. Papers are to be submitted through email.
- Send mail to: icet@bharatividyaapeeth.edu
- All papers will be carefully reviewed by experts and reviews will be reverted to the author(s) with comments to ensure the high quality of the accepted papers.

REGISTRATION

- Registration of all the authors is mandatory for the publication of papers.
- Only authors are allowed to present their papers to the conference according to the program schedule.
- Participation certificate will be issued only to the registered participants.
- All correspondence will be done with the authors through email only.
- Visit www.bvimit.co.in for conference updates.
- To download registration form, copy right form and paper template visit the website.

REGISTRATION FEES

Medicine/Faculty/Research Scholars - Rs. 800/-
 Industry Delegates - Rs. 1500/-
 Foreign Delegates - \$ 30

BVIMIT organises e-Alumni Meet 2021

By Ashok Dhanija

Navi Mumbai based Bharati Vidyapeeth's Institute of Management and Information Technology, BVIMIT organised an 'Online Virtual Alumni Meet' in the face of the Covid-19 pandemic after a gap of two years, recently. The e-Alumni Meet 2021 which was inaugurated by the Principal of the institute Dr. Sahasini Vijaykumar, following the traditional lamp lighting ceremony by the elite panel of dignitaries which included Moni Ganguly - Vice President HR, Karan Tandon - Head, Partner & Alliance, Shailesh Bedarkar - Director, Business Development, Satish Mutalik- Asst. VP, Finacle Training, Dr. Nareshkumar D. Harale - Head, Information Security Cyber Security & GRC Practice, Khurram Kasimi - Sr. Project Leader, Finacle Training, Binit Singh - Sr. Associate Manager HR and Kunal Yadav - Management Trainee, HR from IDBI Intech Limited and Utkarsh Corporate Academia Mentoring Program Department Officials.

On the occasion over 200 alumni from across the globe connected with

the staff who guided them and the head of the Institute for grooming and shaping them. Some

Limited and BVIMIT officials.

The event was organized under the guid-

melodious songs and instrumentals renditions.

Dr. Sahasini Vijaykumar on the occasion

are great at its place, but what matters most are the memories from college which are always there to stay and cherished throughout life.

Placement Committee In-charge, Manish Dubey briefed the audiences about last three years Placement statistics wherein more than 300 students were placed since 2019, with over 150 companies that visited the campus for recruiting talented students of BVIMIT. He further stated that the highest package offered was INR 8.70 Lakhs Per Annum (LPA) from 2019-2022 and the from the current 2020-2022 batch over 40 students were offered salary of over INR 3LPA.

One of the senior most faculty of BVIMIT Dr. Jyoti Kharade interacted with the alumni reminiscing the good old days spent with the pass outs in college. Sudeshna Roy, Asst. Prof. & Placement Committee Member BVIMIT, proposed the vote of thanks, stating that it was overall a very proud and memorable for the college to connect with most of its alumni in these challenging times.

Staff of BVIMIT and Delegate from IDBI who signed a MoU also attended the virtual event

Over 200 Alumni of BVIMIT interacted via Microsoft Teams during the e-Alumni Meet 2021

their batchmates and shared some nostalgic experiences of their association with the reputed institute during their formative academic years. The enthusiasm was infectious as they were all praises for the college,

of the pre-recorded video clip of those alumni was shared who were not able to attend the event.

A significant milestone was reached with the signing of Memorandum of Understanding between IDBI Intech

ance of Campus Director Bharati Vidyapeeth Dr. V. J. Kadam, Principal BVIMIT and the staff was made lively by the students of the current batch who showcased their immense talent with dance, percussion,

welcomed all the alumni present virtually and acknowledged their contribution to the society with their efforts. "It feels nostalgic to see the students from the initial batches and at the same time it is a great pride to see each one doing great in their own field," added the Principal of BVIMIT. She also appreciated IDBI Intech officials for conducting workshops for the students in the recent past and also urged them to conduct more such informative sessions for her students, in the banking industry.

Ms. Moni Ganguly reiterated that studies, knowledge and career

Session commenced with the rules of start-up, problems faced while startup, pillars to initiate the startup, woman in entrepreneurship etc. speaker had given one task to all the students and from that they will be knowing that are they have the ability to be a successful entrepreneur or not. The seminar was Organized by Start Up Committee under IIC Ms Gunjan Bhel Ms. Nidhi.

SAP Session and Business Intelligence

On 6th and 7th May 2022 Team from SSIT had visited our college to interact with the students and to sign an Memorandum of Understanding between SSIT and Bharati Vidyapeeth's Institute of Management and Information Technology.

We had Mr. Sri, CEO and MD SSIT at our campus having more than 16 years of experience in Technology and Management took session on SAP for Day 1 and Business Intelligence on Day 2. At the onset he briefed the students about the company and the latest technology upon which the currently is working and also the areas where the students must get certified to find a suitable job in the IT market. He briefed the students about SAP and ERP and also provided a brief history about SAP. How processes are working in SAP and what kind of projects the students can expect in this technology. He also briefly spoke about SAP architecture and some live examples pertaining to it. On Day 2 Mr. Sri took session on Business Intelligence. It was again a 2 hr session. He briefed the students about the past, present and future of this technology to the students. He discussed as to what remarkable changes this brings to all levels of the business domain. He also discussed about the keys stages of BI and gave live examples and latest trends and what would be the impact of students learning this technology.

Towards the end there was Question and Answer round where the students asked the questions promptly and cleared all their doubts. It was a remarkable and fruitful interaction for the students.

3D Printing Technology

Bharati Vidyapeeth's IMIT organized a webinar for MCA students on "3D Printing Technology" on 3rd June 2022. Dr. Yogi Gandhi, CEO of USI3DT, California. This webinar was conducted to aware students about the the new technology of 3D Printing. Session commenced with the brief introduction of the guests and about the 3D printing technology. Dr. Gandhi explores the various areas where the 3 D Printing is already have a great impact such as medical, civil and many more.

This technology is already established firmly in US. It's still an emerging technology in India. The basic aim for conducting this seminar was to aware students about 3D printing technology which is able to give more details in less time as compared to conventional printing. The entire session was interactive, so that students can get the feel how this technology works. Students are able to see how 3D printer works and how it's end product looks. Students are also able to resolve the quarries regarding the technology. The session came to an end, with a vote of thanks proposed by Ms. Tejashree.

Webinar on “AI-It’s Innovative Applications in Healthcare and Chat Bots”
