Hon'ble Dr. Patangrao Kadam
Founder: Bharati Vidyapeeth(1964)

Hon'ble Dr. Shivajirao Kadam
Chancellor,
Bharati Vidyapeeth University, Pune

Honorable Secretary's Message

BVIMIT is a premier information technology Institute from Navi Mumbai under the aegis of Bharati Vidyapeeth. It firmly adheres to the values and the philosophy of Bharati Vidyapeeth that endeavours to transform the society through Dynamic education.

Located strategically in a sprawling campus at Navi Mumbai, BVIMIT boasts of excellent Infrastructure and a experienced faculties which help in creating a congenial environment for academic excellence. Our approach is student centric and student's professional development is pivotal to our existence and progress. The teaching and learning environment ensures a solid foundation for the student and a gamut of activities planned throughout the year helps the students align with industrial requirements certain that our students will contribute to the progress of the organisation that they will work for and I cordially invite you to our campus placements.

From the Regional Director's Desk

Dr. Vilasrao Kadam
Regional Director, Bharati Vidyapeeth
Education Complex, Navi-Mumbai

Academic is the backbone for all the fields to grow. Seeing this fact today's time needs spontaneous intellectual growth that is not at all possible without the help of technology. BVIMIT is no exception. But I have to say it's a milestone which has made its own name nation and worldwide. We have a chain to support each other everywhere and a strong believe to soar in the sky.

Principal's Message

Dr. Suhasini Vijayakumar

**Principal, Bharati Vidyapeeth's
Institute of Management And
Information Technology, Navi-
Mumbai**

I would like to extend my sincere gratitude to each and every one of our stakeholders – our corporate and academic partners, alumni, faculty and students who have believed in us and supported us through our journey of becoming a successful technical and management institute over the past decade.

Meeting the challenging IT requirements of the corporates is the prime responsibility of software engineers, BVIMIT, spares no effort to make its curriculum meaningful addressing the requirement. A team of dedicated faculty with a judicious blend of academic and industry background has made the delivery of the MCA programme most effective to end users.

The Master of Computer Applications (MCA) programme is affiliated to University of Mumbai. The course is approved by AICTE and enables the students to comprehend the concepts and functional aspects of Information Technology.

Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavour and their hard work. Our students are equipped with the necessary skills that creates successful IT managers and entrepreneurs

About IMIT

Information Technology has invaded our society in a very significant manner. Hence to keep pace with the modern times, the year 2002 marked the establishment of Bharati Vidyapeeth's Institute of Management & Information Technology. At BVIMIT, we impart I.T. Management education to meet the demand of the I.T. Industry.

At BVIMIT, learning becomes a wonderful experience, using a mix of Exploration, Exchange, Interaction, Sharing and Caring. The team of dedicated faculty members plays an important role in providing the right stimulus, provoking thought and encouraging exploration. The institute offer well-designed MCA courses affiliated to Mumbai University with the intake of 120 students. The institute always has considered the growing need of the faculty members in the area of their studies. To fulfil the gap the Institute conducts FDP's for Faculty development. The institute has highly qualified faculty member.

Infrastructure of IMIT

Institute has adequate academic infrastructure and facilities in the Institute premises. These facilities are according to the norms and requirements of AICTE, New Delhi, DTE, Mumbai and University of Mumbai. The management of the institute takes proper steps to maintain this academic infrastructure and facilities.

The Institute has a sprawling campus. Nestled amongst beautiful hills and spread over 0.5 acres, one would not imagine that this serene campus is in such proximity to the industrial belt that employs millions and contributes so much to the state and even the country.

The academic infrastructure facilities includes adequate fully equipped classroom with bench, computer with roof mounted projectors installed in each classrooms, internet facility with Wi-Fi connectivity is provided in entire building and Institute premises. It also includes Playground, and Sports Facilities, Canteen and Medical room with first aid facility and common room for boys and girls along with seminar hall.

Library Facilities

BVIMIT Library is at the heart of the Academic Centre, designed to meet the academic and research needs of the students. BVIMIT Library is an open system. Library is stocked with subject related books. Books on competitive examinations, National and International Journals, Magazines, newspapers both English and local language, CD and research reports. For the smooth running of book distributions KOHA & OPAC Software is used in Library. It provides physical or digital access to material, and may be a physical building or room, or a virtual space, or both. The library holds an enviable collection of a large number of books, research reports, magazines, journals and periodicals. It is well stocked with 12295 books and subscribes to 12 national & international journals and 11 newspapers.

IT Infrastructure

Institute is having total 6 computer labs, 200 desktop computers with I-3 & I-5 processors. Desktop computers are organized in computer laboratories, language lab, faculty cabins and administrative office.

Internet of 100 Mbps network on optical fiber. Desktop computers are also made available to all the students and faculty during the college working hours and also extended hours as per the need. All the faculties are provided with desktop computers in their respective cabins. Licensed software such as Microsoft Window XP, ORACLE, MS SOL, ENG AE MOLP, Visual Studio, Tally, Turbo C, Red Hat Linux, Insta Recovery, Quick Heal Antivirus, Firewall, JDK.7, Net Beans IDE, Eclips, Adobe PDF Reader, JAVA Devt. Kit etc.

Entrepreneurship Cell:

BVIMIT's Software entrepreneurship Cell is an approach, which is to be designed to spark strategic partnerships between academia and industry; incubation cell will connect students to startups, investors and other collaborators they might not otherwise encounter.

Canteen:

The college runs a well maintained canteen in its premises which is open on all working days from 9:00 am to 5:00 pm. It has a seating capacity of 50 people and many more can be accommodated in the central lawn.

A variety of refreshments are available and the menu changes on a daily basis. Prices of two food items, that is, readymade tea and bread pakoras are controlled and rest of the food items are available at reasonable price which is well below than the market rates.

Care is taken to maintain adequate hygiene in and around the canteen.

Sports Room:

Girl's Common Room & Boy's Common Room

Exam Control Room

Training & Placement Cell

The Training & Placement Cell facilitates the process of internship and placement of students passing out from the Institute besides collaborating with leading organizations.

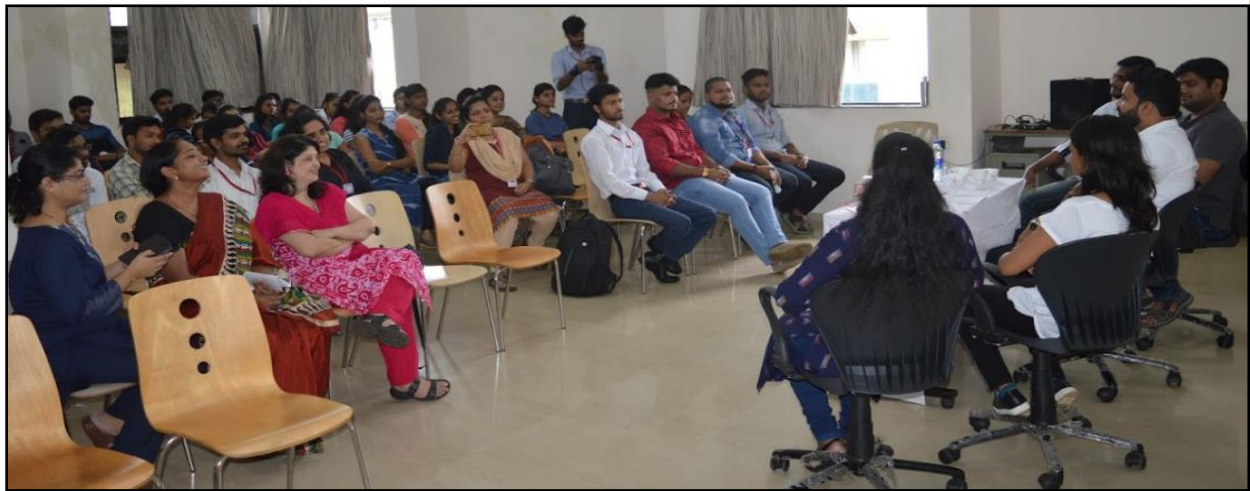

The technology is changing the world & it becomes a challenging task to cater the needs of the industry, but we are proud to say that BVIMIT has faced the challenge successfully. This is possible due to outstanding efforts of the faculty and of the bright students who are selected after a stringent process. Our alumni have achieved tremendous success in all spheres and this bears an eloquent testimony to our efforts. The intelligence, high energy and motivation of our students, as well as their challenging work environments ensure that they bring an added measure of maturity and knowledge to the classroom.

BVIMIT is an exciting place to study and grow. It is a place where the thirst for knowledge fuels our desire for distinction. We are confident that these young students would be an asset to your organization through their technical and managerial capabilities and their talent for innovation. Our aim is to actively assist you in identifying the individuals best suited to your needs and in developing a successfully recruitment relationship.

We take pride in cordially inviting you to participate in our endeavor and look forward to welcoming you to the recruitment program. Providing link to enthusiastic talents ready to explore the new horizon to meet the requirement of corporate world

Orientation MCA batch (2019-22):

BVIMIT conducted 3 day Orientation program for the MCA I year students from 8-10 August 2019. The program was inaugurated by Dr. Suhasini Vijaykumar, I/C Principal, BVIMIT, Navi Mumbai. Dr. Suhasini Vijaykumar elaborate the Vision & Mission of the institute, also brief about Pos and Cos.
