

TECHNOLOGY IS BEST WHEN IT BRINGS PEOPLE TOGETHER

MCA PLACEMENT BROCHURE - 2017

Evolving Achievers

Talent perhaps comes born, but the ultimate winner certainly arrives by a surer road. Modern-day social and organizational systems are proof of this. Today, the finest leaders have been products of organized learning in the art and science of excellence and result-orientation. Managing responsibility, rising above challenges, lead-thinking and importantly, being a trustworthy winner requires a well-structured and accurately-guided pathway. Our institutions, through continuous development efforts, have been reliable gateways to career-highways for aspiring students. For corporate organizations, our breeding grounds of quality skills are where ready and competent management-leaders of the future are made.

From the Founder's Desk

Dr. Patangrao Kadam

Founder, Bharati Vidyapeeth

Chancellor, Bharati Vidyapeeth Deemed University

I am indeed happy to welcome you to Bharati Vidyapeeth's Institute of Management & Information Technology, Navi Mumbai, which has a large pool of new executive talent waiting to step into the Corporate World.

I established Bharati Vidyapeeth in 1964 with a realization that allround social transformation can be brought about through the spread of education. During the last 50 years, we have established more than 180 educational units of various kinds, right from Pre-Primary School to a full fledged University, in different parts of India and even in the capital city of New Delhi. Bharati Vidyapeeth is an institution with its distinct ideology, which can be briefly stated thus. Our objective is: "To make quality education accessible to the students coming from different regions and different strata of the Society and to provide the same to them as per their individual choices and inclination at affordable prices". Our constant endeavor is to create an ambience in the campuses propitious for learning by providing continuously updated courses and with the help of enriched infrastructural facilities such as well equipped laboratories, rich library and well maintained playground, hostels. It is a gratifying experience for me to know that thousands of students who have passed out from the portals of our institutions have established themselves very well in different walks of life.

In April 1996, the Government of India conferred the status of University to a cluster of our institutions in accordance with the provision in the University Grants Commission Act, 1956. Since the inception of this University, our endeavor has been to develop it as a lively and throbbing centre of learning and research. I am very happy to say that, within the short span of 18 years, this University has established its academic reputation not only across the country but also overseas. This is evident from the fact that we get students from different parts of India and also from number of countries across the globe. I have no doubt that we will be able to achieve these objectives in co-operation with our faculties of various institutions which include experts, experienced and caring teachers. I wish, your association with BVIMIT, Navi Mumbai, would be mutually beneficial one, which can be leveraged to yield promising results for both of us. The institute has a flagship Post-graduate programme, viz., Master of Computer Applications (MCA) affiliated to Mumbai University, approved by AICTE. We are confident you will find here, the perfect profile to complement your requirements.

Dr. Shivajirao Kadam

Vice Chancellor
Bharati Vidyapeeth Deemed University

Dr. Vishwajeet Kadam

Secretary,
Bharati Vidyapeeth Deemed University

From the Director's Desk

Dr. Dattajirao Y. Patil

M.B.A., Ph.D.

Director, BVIMIT

I would like to extend my sincere gratitude to each and every one of our stakeholders –our corporate and academic partners, alumni, faculty and students who have believed in us and supported us through our journey of becoming a successful technical and management institute over the past decade.

Meeting the challenging IT requirements of the corporates is the prime responsibility of software engineers at BVIMIT, spares no effort to make its curriculum meaningful addressing the requirement. A team of dedicated faculty with a judicious blend of academic and industry background has made the delivery of the MCA programme most effective to end users.

The Master of Computer Applications (MCA) programme is affiliated to University of Mumbai. The course is approved by AICTE and enables the students to comprehend the concepts and functional aspects of Information Technology.

Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavour and their hard work. Our students are equipped with the necessary skills that create successful IT managers and entrepreneurs.

It is my pleasure to invite you to our campus and extend our invitation to carry out your recruitment process for the graduating class of 2017.

Welcome to our campus !

From the Placement Desk

The Training & Placement Cell facilitates the process of internship and placement of students passing out from the Institute besides collaborating with leading organizations.

The technology is changing the world & it becomes a challenging task to cater the needs of the industry, but we are proud to say that BVIMIT has faced the challenge successfully. This is possible due to outstanding efforts of the faculty and of the bright students who are selected after a stringent process. Our alumni have achieved tremendous success in all spheres and this bears an eloquent testimony to our efforts. The intelligence, high energy and motivation of our students, as well as their challenging work environments ensure that they bring an added measure of maturity and knowledge to the classroom.

BVIMIT is an exciting place to study and grow. It is a place where the thirst for knowledge fuels our desire for distinction. We are confident that these young students would be an asset to your organization through their technical and managerial capabilities and their talent for innovation. Our aim is to actively assist you in identifying the individuals best suited to your needs and in developing a successful recruitment relationship.

We take pride in cordially inviting you to participate in our endeavor and look forward to welcoming you to the recruitment program.

Providing link to enthusiastic talents ready to explore the new horizon to meet the the requirement of corporate world

“WE SHAPE THOSE WHO SHAPE THE WORLD”

Vision

To be the pinnacle of management education by equipping students with the necessary skill sets to excel in the industry, and by grooming them to adapt to the challenges of Corporate India.

Mission

To ensure achievement of the overall education goals through effective, fair and efficient administration of recruitment, career enhancement and benefit program.

To foster excellence in our teaching, research, scholarship and services; to develop a cadre of student with the attitude, leadership skills and habit of lifelong learning enabling them to be effective members of corporate India.

To create an academic environment where the highest standards of scholarship and professional practices are observed and where responsibilities of students are conscientiously met.

To deliver quality management programs which are consistent with the demands of Corporate India and to enhance the core competencies of an increasing number of budding professionals.

Strength and growth come only through continuous efforts and struggle.
-Napoleon Hill

INFRASTRUCTURE

Creating IT Professionals

Technology has evolved and accelerated the change in the world around us in a grand way and has become an integral part of our lives. Bharati Vidyapeeth identified these advancements and decided to guide the young and aspiring to venture into this field.

The Department of MCA was established in the year 2002 to meet the requirements of the emerging IT industry and is now known as **Bharati Vidyapeeth's Institute of Management and Information Technology (BVIMIT)**.

BVIMIT offers a 3 years full-time course of Master of Computer Applications (MCA) affiliated to University of Mumbai and approved by AICTE. The institute started with an initial intake of 60 students. The intake was enhanced to 120 in the year 2010.

The MCA course spans over six semesters and includes all the aspects of technology as well as management. This makes the aspirant well versed not only in the technicalities but also with the important aspects of management which makes them ready for the fierce competition in the corporate world.

Institute makes this program more beneficial by providing:

- Guest lectures and seminars by industry experts
- Training on state- of-the-art technologies by corporate trainers
- Hands-on practical exercises, case studies, projects, presentations & assignments

Classroom

Air conditioned, WiFi enabled class rooms facilitate the learning process. Audio visual aids in the form of LCD projectors, audio systems and acoustically designed classrooms enable the students to perform better and show a consistent development over the two years.

Computer Lab

In today's rapidly changing scenario information technology plays an important role in maintaining the speed and quality of education. BVIMIT's IT infrastructure promotes its motto of non-classroom learning with a 24 hours WiFi connection (dedicated leased line of 3 Mbps internet bandwidth), state-of-the-art servers, computers, and other hardware. Students are provided with laptops which enable them to stay connected on campus.

Seminar Hall

Guest lectures, presentations, seminars and conferences are an integral part of Management education. BVIMIT periodically organizes these interactive forums in a well-furnished, fully air - conditioned seminar and conference hall, aesthetically designed for a comfortable learning experience aided by modern communication equipment and audio-visual aids.

Library

**TO BE ABLE TO BE CAUGHT UP INTO THE WORLD OF THOUGHT - THAT IS BEING EDUCATED
– CHANAKYA**

A well stocked library is the focal point of any educational institution. The BVIMIT library is one such focal point for the students to enrich their theoretical knowledge as well as apply these principles to modern day work environment by using the simulation tools available. Students learn the concepts from textbooks but find their applications in case studies. The BVIMIT library stocks nearly 8400 books from the fields of Management, Psychology, Computers, Novels, Annual reports and more than 45 Foreign and Indian Business Journals and Magazines. Technological assistance in managing the stock and renovated reading room adds to the overall experience of gaining knowledge.

Canteen

Students can avail of good and hygienic food at the canteen. This is also a place where informal learning happens and life long friendships are formed.

FACULTY

The Influence of a Good Teacher Can Never be erased
-Unknown

Name: **Dr. Suhasini Vijaykumar**
Designation: Associate Professor
Qualification: Ph.D, M.C.A
Years of Experience: 20
Subject Expertise: Computer Networks, Wireless Technology and Mobile Communication, Network Security, Spatial Data Mining
Handling placements and internship for the department.

Name: **Dr. Jyoti Kharade**
Designation: Assistant Professor
Qualification: Ph.D., M.C.A, MPhil
Years of Experience: 14
Subject Expertise: Introduction to Web Technology, Object Oriented Programming, Core and Advance Java, Software engineering, Distributed computing & Cloud computing, Data Structures

Name: **Varsha Sharma**
Designation: Assistant Professor
Qualification: M.C.A, M.Tech, MPhil
Years of Experience: 13
Subject Expertise: Database Management System, Object Oriented Modeling & Design, Software Engineering, Software Testing, Wireless Technology
Handling placements and internship for the department.

Name: **Kapase Smitaraja S.**
Designation: Assistant Professor
Qualification: M.C.A., M.Phil.
Years of Experience: 11
Subject Expertise: C, Object Oriented Programming with C++, Data Structures, Software Project Management, Software Engineering.

Name: **Pratibha Mahindra Deshmukh**
Designation: Assistant Professor
Qualification: B.Com, MCM, M.C.A., Pursuing PhD
Years of Experience: 9
Subject Expertise: System Analysis & Design, Software Engineering, Software Testing, Modeling & Designing using UML, Multimedia

Name: **Uttara Athawale**
Designation: Assistant Professor
Qualification: M.C.A., MSc.(Mathematics)
Years of Experience: 14
Subject Expertise: Computer Graphics, Image Processing, Discrete Mathematics, Probability & Statistics, Multimedia

Name: **Pooja Prashant Kadam**
Designation: Assistant Professor
Qualification: BCA, M.C.A.
Years of Experience: 7
Subject Expertise: C, C++, .ASP. NET, C#.NET, ABAP SAP, Core and Advance Java, CSS, PHP, JavaScripting, VB, VB .NET, Database Management System

Name: **Divya Premchandran**
Designation: Assistant Professor
Qualification: M.C.A.
Years of Experience: 7
Subject Expertise: Software Engineering, Software Project Management, Software Quality Assurance, Human Computer Interface

Name: **Priya Chandran**
Designation: Assistant Professor
Qualification: M.C.A , M.Phil
Years of Experience: 14
Subject Expertise: Computer Organization and Architecture, Soft Computing, Computer Network, Data Base Management System, Advanced Database Theory and Applications

Name: **Shubhangi Mahadik**
Designation: Assistant Professor
Qualification: BSc(Physics),M.C.A.
Years of Experience: 6
Subject Expertise: Dot Net Technology, Oracle, Data structure, Software Project Management..etc

Name: **Sudeshna Roy**
Designation: Assistant Professor
Qualification: M.C.A.
Years of Experience: 6
Subject Expertise: Database Management System, Computer Organization and Architecture, Operating System

Name: **Deepa Manoj**
Designation: Assistant Professor
Qualification: Master in Computer Science Currently Pursuing Master in Business Management
Years of Experience: 14
Subject Expertise: Distributed Computing and Cloud Computing, Operating System, Robotics, Virtual Reality, Computer Graphics, Computer Organization and Architecture Database and Management System, Management Information System Web Technologies C#

Name: **Sampat Govind Vaidya**
Designation: Assistant Professor
Qualification: M.Sc. (Maths) Ph.D. (Mathematics-Pre Thesis Syn Submitted)
Years of Experience: 37
Subject Expertise: Solving Science and Engineering problems Development of Simulator & Mathematical modeling, Discrete Mathematics, Probability & Statistics

Name: **Zahir J. Mulani**
Designation: Assistant Professor
Qualification: B.C.S., M.C.A
Years of Experience: 8
Subject Expertise: Object Oriented Analysis & Design, Java Programming, Computer Graphics, Advanced Internet Technologies

Name: **Seeza Franklin Kandukuri**
Designation: Assistant Professor
Qualification: M.C.A.
Years of Experience: 8
Subject Expertise: C, C++, SQL, UML, Testing

Name: **Ritu Goswami**
Designation: Assistant Professor
Qualification: M.A. (English Literature), PGDBM, B.Ed, B.A. (Honors)
Years of Experience: 9
Subject Expertise: Communication and Soft Skills, English Language and Literature

Corporate Interaction

- Vipul Shah (Mobile Technology Consultant)
- Anand Khadse (NET Trainer)
- Navneet Kaur (HCA, TCS, PHP Trainer)
- Trupti Gandhi (B.E. Computers)
- Seema Shah (B.E. Computers)

Course Structure

MCA	
Sem I	Sem II
Object Oriented Programming	Data Structures

*Elective 1	**Elective 2
Artificial Intelligence	Supply Chain Management and Logistics
Embedded Systems	Service Oriented Architecture
Customer Relationship Management	Cyber Laws & IPr
	Knowledge management
	Multimedia

Pre-placement Activities

Aptitude Test: Aptitude tests are regularly conducted by the institute to test the technical and logical reasoning skills of the students. This helps the students to measure their areas of improvement in a more precise way which would help them to get familiar to the various types of questions that can be asked during the competitive tests and interview.

Mock Interview: Mock interview is a practice that includes training for the students for the main interview sessions. The idea behind such practice is to make the students more comfortable with such an environment. This helps in the development of the skill set of the students.

Corporate Interface: Seminars and workshops are an integral part of the teaching pedagogy of BVIMIT to change the skill set of students. As a part of this a seminar was arranged for the Final Year MCA students of BVIMIT. The seminar focused on the development of interview skills in the students and also impart information to them about the current recruitment trends and expectations of the industry.

EVENTS

Find a place inside where there's joy, and the joy will burn out the pain
-Joseph Campbell

Events

Manthan: Manthan is a technical fest of Bharati Vidyapeeth's Institute of Management and Information Technology where students from various institutes all across Mumbai are invited to participate. This brings in a joy of togetherness and also an affinity between the students. Also the students get an opportunity to showcase their talent by participating in various activities.

Milan: An overwhelming event that allows the alumni to relive and recollect the memories is "Milan". The event takes place every year to make students feel that they are still a part of the institute. Another reason for organizing this event is to establish an interaction between the alumni (who belong to the corporate world) and the current students. This event allows the alumni to share their experience and give the suggestions that will help the students to prepare them for the corporate world.

Fresher's Party: Ever year the new entrants in the college go through the induction program as well as are welcomed by the seniors. This year also a freshers' party was organized for the new entrants. Various games and activities were organized by the second year students of MCA, wherein the new entrants actively participated. The event was appreciated with an overwhelming response by students as well as teachers.

Extracurricular Activities

At Bharati Vidyapeeth, efforts are taken for the overall growth and development of the students. Apart from academic, students are also groomed in cultural activities and also in extra-curricular events like Cricket, Volleyball, Rink football etc so that they develop in all spheres.

STUDENTS

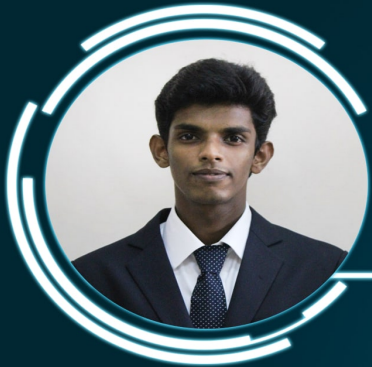

PROFILE

Education breeds confidence. Confidence breeds hope. Hope breeds peace.

-Confucius

MCA Batch of 2017

Name: **BAPERKAR SUMIT SURESH**
Previous Qualification: Bsc.IT
Projects: Integration of Modules of Result Generation for Bharati Vidyapeeth Pharmacy College
Skill Set: Java, ASP.NET, Database, Data Structures

Name: **GOHIL URVASHI NARESH**
Previous Qualification: BCA
Projects: Disk Scheduling
Skill Set: Good communication, understanding of database and testing concepts

Name: **BHADANE DHANSHREE DILIP**
Previous Qualification: B.Sc.IT
Projects: Voice Of Inspiration Website Project In Asp.Net
Skill Set: C++ , JAVA, C#, HTML, PHP, SQL, TESTING

Name: **RANJANE SAURABH UTTAM**
Previous Qualification: B.Sc.IT
Projects: Visual surveillance with motion detection and alert generation
Skill Set: I can work in team, coding, designing

Name: **VARTAK AKSHAY PRAMOD**
Previous Qualification: B.Sc.IT
Projects: Visual surveillance with motion detection and real time alert generation
Skill Set: Asp.Net , Java , HTML , Designing , Corel Draw and Photoshop

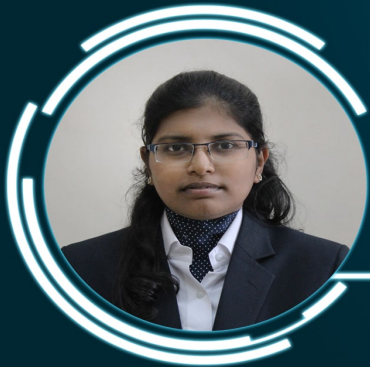

Name: **BRID SAGAR ANANT**
Previous Qualification: B.Sc CS
Projects: Medical Software
Skill Set: SQL, JavaScript, JAVA, .NET, PYTHON, C, C++, PHP, HTML

Name: **PENKAR SHAILESH SHASHIKANT**
Previous Qualification: B.Sc.IT
Projects: Data Structure Tutor
Skill Set: Asp.Net , Java , HTML , CSS, JavaScript, Designing , Corel Draw and Photoshop

Name: **PAWALE MEGHALI MAHADEV**
Previous Qualification: B.Sc.CS
Projects: LAB'S EYE (ASP.NET)
Skill Set: ASP.NET

Name: **RAINAND NIKITA MOHAN**
Previous Qualification: B.Sc CS
Projects: VIDEO STEGANOGRAPHY
Skill Set: JAVA, .NET, PHP

Name: **JAIN PIYUSH KUMAR SANJAY KUMAR**
Previous Qualification: BCA

Our Trail Blazers

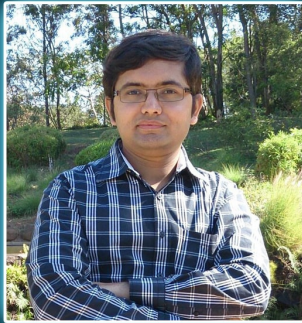

Name: Dharmesh Patel
Designation: Technical Architect
Years of Experience: 10+ Years
Company Name: Miami-Dade County (Florida State Govt.)

BVIMIT, as a post graduate institution has acted a launch-pad for my professional education molding my skill sets and providing with the required parameters. The teaching members no doubt always kept us on our toes, enabled the learning curve within and motivated us to try to the best of our abilities. There were few keywords like Leadership, Analysis, Decision Making, Accountability, etc. that I was just earlier aware of, getting to experience and know them practically first hand at various instances during the MCA course was something praiseworthy. BVIMIT for me, has always provided opportunities to explore, compete and grow all along. Even as an alumni now, I always feel connected to the institution and all their members who correctly participate to frame the word “The BVIMIT Family.”

Name: Anand Khadse
Designation: Team Leader
Years of Experience: 6.5 Years
Company Name: Accenture

It was a great learning experience at BVIMIT. Infrastructure and learning aids at BVIMIT are very great and encouraging. One of the major reasons why BVIMIT is one of the best institute I feel is because of the faculties at the institute. Faculties always interact with the students guide them in correct direction not only with respect to academics but also on how each one of them can excel in their respective careers. The placement committee at BVIMIT is also very active and make a very strong effort in placing each student in IT industry. I would say I am proud and it was my pleasure that I got an opportunity to be a part of one of the oldest and one of the best institute in Mumbai University

Name: **Vipul Shah**
Designation: **Mobile Technology Consultant**
Years of Experience: **6 Years**
Company Name: **Starting Engineering in Microsoft**

Bharati Vidyapeeth was an amazing experience for me. The instructors are excellent, the MCA program is fantastic. I found all the instructors very approachable and affirming of each accomplishment. As I completed each sem successfully I felt more confident that I had made the correct choice of furthering my education.

Name: **Anupam Khandelwal**
Designation: **System Test Analyst**
Years of Experience: **6.5 years Years**
Company Name: **Accenture**

It had been a great journey at BVIMIT, Those three wonderful years at campus made me to be at the position where I am right now, I learnt a lot there. Faculties here have been very supportive & have profound expertise in subjects, they guided me on all the aspects since I joined the college till my placement in Tech Mahindra which is one of the prestigious IT organization. I am really grateful, that I have been part of BVIMIT family.

Name: **Deepak Prakash Karn**
Designation: Member of Technical and Development Staff
Years of Experience: 4 + years
Company Name: Maharashtra Knowledge Corporation Ltd. (MKCL)

It will not be an exaggerated statement, when I say that whatever I am today, socially, economically and personally a great credit goes to MY INSTITUTE, BVIMIT. By the grace of God I am doing good and most of my batch-mates are also enjoying a successful life. Although success depends upon fate and individual hard work too, but from my view point, collective success rarely depends on individual but on an organization. BVIMIT can be termed as one of such organization (read as institute). It gave me opportunity not only in the fields of technology but also enhanced and nurture my personality and sharpen my leading capabilities and extra-curricular activity skills. My best wishes are always with you and in future whenever my institute requires me, I will be present there by all possible means.

Name: **Trupti Laxmikant Phatangale**
Designation: Programmer Analyst
Years of Experience: 3+ years
Company Name: Mobicule Technologies Pvt Ltd, Mumbai

BVIMIT and its Faculty has always provided us with the Guidance and Courage to face Corporate World with Confidence, And has proved to be one of the Best Institute in the Field of IT. I would like to Thank you for all the efforts taken and Best Wishes for future.
