## EVOLVING ACHIEVERS

Talent perhaps comes born, but the ultimate winner certainly arrives by a surer road. Modern-day social and organizational systems are proof of this. Today, the finest leaders have been product of organized learning in the art and science of excellence and result-orientation. Managing responsibility, rising above challenges, lead-thinking and importantly, being a trustworthy winner requires a well-structured and accurately-guided pathway. Our institutions, through continuous development efforts, have been reliable gateways to career-highways for aspiring students. For corporate organizations, our breeding grounds of quality skills are where ready and competent management-leaders of the future are made.

## FROM THE SECRETARY'S DESK

**DR. VISHWAJEET KADAM,**  
**SECRETARY,**  
**BHARATI VIDYAPEETH,**  
**PUNE.**

**PRO CHANCELLOR,**  
**BHARATI VIDYAPEETH (DEEMED TO BE)**  
**UNIVERSITY, PUNE.**

I am indeed happy to welcome you to Bharati Vidyapeeth's Institute of Management & Information Technology, Navi Mumbai, which has a large pool of new executive talent waiting to step into the Corporate World. I established Bharati Vidyapeeth in 1964 with a realization that allround social transformation can be brought about through the spread of education. Bharati Vidyapeeth is an institution with its distinct ideology, which can be briefly stated thus. Our objective is "To make quality education accessible to the students coming from different regions and different Strata of the Society and to provide the same to them as per their individual choices and inclination at affordable prices". Our constant endeavor is to create ambience in the campuses propitious for learning by providing continuously updated courses and with the help of enriched infrastructural facilities such as well quipped laboratories, rich library and well maintained playground, hostels. It is a gratifying experience for me to know that thousands of students who have passed out from the portals of our institutions have established themselves very well in different walks of life. In April 1996, the Government of India conferred the status of University to a cluster of our institutions in accordance with the provision in the University Grants Commission Act, 1956. I have no doubt that we will be able to achieve these objectives in co-operation with our faculties of various institutions which include experts, experienced and caring teachers.

I wish, your association with BVIMIT, Navi Mumbai, would be mutually beneficial one, which can be leveraged to yield promising results for both of us. The institute has a flagship Post-graduate programme, Master of Computer Applications (MCA) affiliated to Mumbai University, approved by AICTE. We are confident you will find here, the perfect profile to complement your requirements.

**LATE DR. PATANGARO KADAM**  
FOUNDER,  
BHARATI VIDYAPEETH

**PROF. DR. MANIKRAO SALUNKHE**  
VICE CHANCELLOR,  
BHARATI VIODYAPEETH  
(DEEMED TO BE) UNIVERSITY.

## FROM THE PRINCIPAL'S DESK

I would like to extend my sincere gratitude to each and every one of our stakeholders our corporate and academic partners, alumni, faculty and students who have believed in us and supported us through our journey of becoming a successful technical and management institute over the past decade. Meeting the challenging IT requirements of the corporates is the prime responsibility of software engineers BVIMIT, spares no effort to make its curriculum meaningful addressing the requirement.

A team of dedicated faculty with a judicious blend of academic and industry background has made delivery of the MCA Programme most effective to end users. The Master of Computer Applications (MCA) programme is affiliated to University of Mumbai. The course is approved by AICTE and enables the students to comprehend the concepts and functional aspects of Information Technology. Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavour and their hard work. Our students are equipped with the necessary skills that creates successful IT managers and entrepreneurs. It is my pleasure to invite you to our campus and extend our invitation to carry out your recruitment process for the graduating class of 2018. Welcome to our campus !

**PROF. DR. SUHASINI VIJAYKUMAR**  
**PRINCIPAL, BVIMIT.**

## FROM PLACEMENT TEAM

The Training&Placement Cell facilitates the process of internship and placement of students passing out from the Institute besides collaborating with leading organizations. The technology is changing the world & it becomes a challenging task to cater the needs of the industry, but we are proud to say that BVIMIT has faced the challenge successfully. This is possible due to outstanding efforts of the faculty and of the bright students who are selected after a stringent process. Our alumni have achieved tremendous success in all spheres and this bears an eloquent testimony to our efforts. The intelligence, high energy: and motivation of our students, as well as their challenging work environments ensure that they bring an added measure of maturity and knowledge to the classroom.

BVIMIT is an exciting place to study and grow. It is a place where the thirst for knowledge fuels our desire for distinction. We are confident that these young students would be an asset to your organization through their technical and managerial capabilities and their talent for innovation. Our aim is to actively assist you in identifying the individuals best suited to your needs and in developing a successfully recruitment relationship.

We take pride in cordially inviting you to participate in our endeavor and look forward to welcoming you to the recruitment program, Providing link to enthusiastic talents ready to explore the new horizon to meet the the requirement of corporate world

"WE SHAPE THOSE WHO SHAPE THE WORLD"
