INSTITUTE OF MANAGEMENT & INFORMATION TECHNOLOGY
Navi Mumbai

Student Handbook

2022 - 2023

“Social Transformation through Dynamic Education”

Quality Policy

The Institute shall focus on developing professionals who are technically sound, ethical and socially responsible.

Vision

Providing high quality, innovative and value-based education in information technology to build competent professionals.

Mission

M1. Technical Skills:-To provide solid technical foundation theoretically as well as Practically capable of providing quality services to multi-disciplinary industry.

M2. Development:-To provide comprehensive educational programs and promote lifelong learning in the field of Computer Applications based on the changing needs of IT industry and society worldwide.

M3. Innovation:-To promote innovation and excellence in delivery and assessment to ensure ethical and holistic development of students for employability, entrepreneurship and higher education.

M4. Ethical leadership:- To develop ethical leadership awareness in the students to succeed in industry, government and academia.

Programme Educational Objectives's

PEO1: Practice software engineering approaches to solve real world concerns and develop software to meet users requirements in a multi-disciplinary environment .

PEO2: Excel in professional career and/or higher education by acquiring knowledge in mathematical, statistics, management and computer applications.

PEO3: To nurture the creative, innovative and entrepreneurial potential of students for employment and lifelong learning

PEO4: To create competent Professionals with social and ethical attitude, communication skills, leadership qualities, team work

Hon'ble Dr. Vishwajeet Kadam
(B.E., MBA, Ph.D.)
Secretary
Bharati Vidyapeeth, Pune

MESSAGE FROM THE SECRETARY

At the very outset, I on behalf of Bharati Vidyapeeth, Pune would like to wish all the students of BVIMIT, Belapur, Navi Mumbai a very challenging and successful career. I am sure with all the valuable inputs given to you by our experienced and qualified faculty; excellent infrastructure and instructional facilities; the institute will definitely groom all students to serve as worthy assets to the nation whether in the corporate world or social value system.

Bharati Vidyapeeth University believes in the motto “Social Transformation through Dynamic Education” and thereby enhances the skill – sets of the students.

Bharati Vidyapeeth with decades of expertise in the educational field has the richness and depth of eminent business schools, yet, every student receives individual attention and concern.

I, therefore, make an appeal to our learned faculty to give an opportunity to the students of Bharati Vidyapeeth's Institute of Management Studies & Research, Belapur, Navi Mumbai to continuously strive for excellence with moral responsibility in the diverse field of education in particular and life in general.

Dr. Suhasini Vijaykumar
MCA, Ph.D.
Principal BVIMIT
Belapur, Navi Mumbai

MESSAGE FROM THE PRINCIPAL

Dear Students,

I would like to extend my sincere gratitude to each and every one of our stakeholders – our corporate and academic partners, alumni, faculty and students who have believed in us and supported us through our journey of becoming a successful technical and management institute over the past decade.

Meeting the challenging IT requirements of the corporate is the prime responsibility of software engineers, BVIMIT, spares no effort to make its curriculum meaningful addressing the requirement. A team of dedicated faculty with a judicious blend of academic and industry background has made the delivery of the MCA programme most effective to end users.

The Master of Computer Applications (MCA) programme is affiliated to University of Mumbai. The course is approved by AICTE and enables the students to comprehend the concepts and functional aspects of Information Technology.

Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavour and their hard work. Our students are equipped with the necessary skills that create successful IT managers and entrepreneurs.

Dr. Suhasini Vijaykumar
Principal

ABOUT US

Bharati Vidyapeeth's Institute of Management and Information Technology

Bharati Vidyapeeth is an institution planted in the year 1964 by our founder Dr. Patangrao Kadam. Today it has created history by establishing 142 educational institutes imparting education from the pre-primary stage to post graduate stage, within a short span of 39 years. At Bharati Vidyapeeth, our objective has been to contribute to intellectual awakening and social transformation in different spheres such as education, economic, social & cultural fields in India and more particularly in Maharashtra. Information Technology has invaded our society in a very significant manner.

To keep pace with the modern times, the year 2002 marked the establishment of Bharati Vidyapeeths Institute of Management & Information Technology. At BVIMIT, we impart I.T. Management education to meet the demand of the I.T. Industry. At BVIMIT, learning becomes a wonderful experience, using a mix of Exploration, Exchange, Interaction and Imparting knowledge to churn the students for the industry. This also prepares the students to handle the day to day complex problems arising in the IT sector and perform outstandingly in the IT world by imparting the requisite skill sets and adding value to the student.

The institute always has considered the growing need of the faculty members in the area of their studies. To fulfill the gap the Institute conducts FDP's for faculty development. The institute has highly qualified faculty members as per the requirements. The essential strong pillars of the institute are its illustrious alumni, exemplary students, outstanding full time faculty and numerous visiting faculty members from the corporate and industry.

PROGRAMMES

MCA

Master of Computer Applications (MCA) is a three-year (six semesters) professional Master's Degree in computer science awarded in India. The course was designed to meet the growing demand for qualified professionals in the field of Information Technology. It is a postgraduate course that can be taken up after obtaining a Bachelor's Degree. The MCA programme is inclined more toward Application Development and thus has more emphasis on latest programming language and tools to develop better and faster applications.

MCA was introduced in BVIMIT in the year 2002. It is three year full time programme affiliated to the Mumbai University approved by AICTE with the intake of 120 students. Spanning over six semesters, the course not only includes subjects that give a good grounding in the IT concepts, but also includes management oriented papers like 'Principles of Management, etc, thus preparing the student to be more competent to face the dynamic corporate world.

Ph.D. in Computer Application

BVIMIT also offers Ph.D. programme in computer applications, affiliated to University of Mumbai and has two guides.

PUBLICATIONS

Our institute is having the following publications which are also made available on the institutes' website.

Prabhat Newsletter

It is a bi-annual newsletter with its inception in the year 2017 and is published by the institute. It has the tagline Tech Rising Star, which focuses on the latest or upcoming technologies in the IT world. The institute has a strong editorial board with faculties and students which motivates the students to participate by writing articles on the advanced technologies.

Technical Magazine

It is an annual publication where best five research papers of students are published. The magazine provides the students with a great reading with a wealth of knowledge and thus promoting research practice in them.

Glimpses of BVIMIT

Each year BVIMIT conducts several Co-curricular and Extra Curricular activities for the students. 'Glimpses of BVIMIT' is an annual magazine which highlights all these activities conducted and performed by the students in an academic year.

IMIT Diaries

It is an annual magazine which provides insight about the faculties, various activities conducted such as curricular, co-curricular performed in the institute. The magazine is intended to provide the students with basic information about services as well as policies and procedures related to their rights, responsibilities, and conduct as a student and a member of our campus community.

Placement Brochure

It is an annual magazine containing the detailed information about the final year students

WHAT MAKES BVIMIT SPECIAL?

Mentoring at BVIMIT

BVIMIT has a firm and elevating mentoring system. The process of mentoring begins from first year at the BVIMIT.

The process of mentoring is like parenting which helps students to a great extent and follows all steps that enable them to excel in the journey to mould them as per the needs of the industry and stay ahead in competition. In various processes students are expected to accomplish various tasks and duties to check their regular progress as per the requirement of the industry.

Mentoring Program Overview

In each BVIMIT mentorship program, mentors use their hard-earned experience to guide students toward the kind of leadership that maintains BVIMSR honorable reputation in the business community. Mentees learn how to develop their careers from the executives who share their expertise and practical experience as gain in the organization

Mentoring Objectives

Mentoring helps students to:

- *To identify and analyze the complex problems of corporate world and showcase professional skills and competencies.
- *Continuous counseling of the students according to their hobbies and area of interest to succeed.
- *To explore and clarify their career goals including career interest, industry and company preferences.

Mentor's Role and Responsibility

- *Mentor will act as an advisor, learning broker and counselor.
- *Will engage and encourage students to find out and solve the problems.
- *Will help students in gaining confidence, clarifying goals and developing effective networking skills.
- *Give timely, supportive and constructive feedback and help them improve their competencies including critical thinking, ethical decision making, interpersonal relations and teamwork and leadership skills.
- *Mentor will be role model for student to observe and interact with them in order to understand how to become a productive, effective and respected employee and leader.
- *Give periodic evaluations of student's professional and career development progress.

Student's Role and Responsibility

*To meet regularly mentors according to the schedule.

*To seek advice from mentor and be receptive to constructive feedback about career path decisions, skills and competency development and professional development plans.

*To be responsible, respectful, dependable and committed to building a productive mentoring relationship.

*To be motivated and proactive in clarifying career goals and improving work competencies.

Orientation and Teaching Methodology

BVIMIT curriculum lays emphasis on participatory learning - combined lectures, case studies, live projects, in-house projects, consultancy projects co-curricular and extra-curricular activities for overall development of students. All new students go through an orientation programme, to help them settle down, get to know each other and form strong working teams.

Industry Interaction

Throughout the year the institute organizes various seminars and guest lecturers that enhance their technical skills.

Industrial Visits

Industrial Visits are planned every year for the students in order to give them a practical exposure as well as learning and enriching experience in their specialization.

Location

Situated at a serene location of Navi Mumbai, the institute provides a world class infrastructure supported by an environment that suits for all around learning and holistic development.

BVIMIT INFRASTRUCTURE

Nestled amongst beautiful hills and spread over four acres - one would not imagine that this serene campus is in such proximity to the industrial belt that employs millions and contributes so much to the state and even the country.

Classrooms

Just like the campus, the classrooms at BVIMIT are also designed to make learning and exploration conducive. A Wi-Fi enabled campus ensures that all students stay connected to the world, their studies, their Faculty and to each other.

Each classroom is well equipped with adequate Furniture, PC, Overhead Projector, Fans, White Board, LAN, Wi-Fi, and CCTV. One of the classrooms is equipped with Smart Board for conducting guest lectures and seminars. All classrooms are well furnished and ensure proper circulation of fresh air and light to make the environment even more conducive and to facilitate better absorption as well as dissemination of information.

Seminar & Conference Hall

To aid students and to help them in transition from classroom to corporate meeting rooms, BVIMIT has state-of-the-art conferencing and meeting facilities that boast of the best equipment.

Seminar halls are used for conducting seminars, guest lectures. Conference hall is used to conduct meeting among faculty, staff and students with adequate facilities.

Library

BVIMIT has created a Library whose variety of books add to both, width and depth of knowledge. The BVIMIT library stocks adequate books including books in the areas of Computer Application and Information Technology, Novels, Annual reports and IT related International Journals & Magazines.

Excellent systems ensure that information pertaining to these books can be quickly tracked / retrieved.

The library is also equipped with comfortable reading facilities to utilize library reference books, journals, periodicals and books to enhance knowledge. To make use of optimum library resources separate sections are allocated for text books, reference books, projects, fictions, novels, journals, newspapers, and other stuffs.

Computer Labs

Education is all about the gathering, dissemination and sharing of information. While Faculty can be the catalysts, technology is the enabler. BVIMIT has recognized this all along and has some of the best IT infrastructure, including state of the art servers, and a Wi-Fi enabled campus to facilitate the smooth and seamless flow of information. The institute is equipped with six computer labs for laboratory sessions and to let student stay informed and connected to the vast knowledge base.

Canteen

The BVIMIT canteen provides good, hygienic and delicious food to nourish the body, mind and soul apart from satisfying appetite. Variety of foods and snacks are available in the canteen.

Sports Facilities

Keeping in mind, the physical activities of students, a dedicated room is available with all the indoor and outdoor sports equipments. The institute organizes varied competitions for sports; to facilitate this institute also has a huge ground within its premises where the students can practice and perform in events.

Medical Facilities

BVIMIT has appointed Dr. Kalpana Wankhede, MBBS (Mobile 9869137381) for day to day medial requirement for the students.

Women Development Cell

The Women Development Cell works with the objective to address complaints regarding sexual harassment from any woman or girl student from college, to conduct quick investigation maintaining confidentiality and to take punitive action depending on severity of complaint.

Hostel / Apartment

Bharati Vidyapeeth Navi Mumbai campus has separate centralized hostel facility for boys and girls that offer the comforts to feel like home. The hostel and the campus provide more time to the students to interact with each other and with their faculty. Single occupancy, double and triple sharing options are available.

Bank & ATM

The scenic campus is also having bank and a ATM facility.

GLIMPSES OF ACTIVITIES AT BVIMIT

The list of college activities are as follows:

Institute Social Responsibility (ISR):

About ISR:

Institute Social Responsibility (ISR) refers to the continuous commitment by institutions to conduct them in an ethical manner and contribute towards the socioeconomic development of the society at large. Social responsibility is an ethical theory, in which individuals are accountable for fulfilling their civic duty; the actions of an individual must benefit the whole of society. Social responsibility is a duty every individual has to perform so as to maintain a balance between economic growth and the welfare of society and the environment.

Social responsibility means sustaining the equilibrium between the two. It pertains not only to organizations but also to everyone whose action impacts the environment. This responsibility can be passive, by avoiding engaging in socially harmful acts, or active, by performing activities that directly advance social goals. As individuals we can make our small contributions to society by doing social activities, individual or in association with Institute /Social organizations/NGOs/Clubs etc.

Various Activities Conducted:

Bharati Vidyapeeth's Institute of Management and Information Technology, Navi Mumbai has organized various events like Mangroves Clean-up Drive, Khusiyo Ki Pathshala, Family Happiness Kit Distribution and Dadlani Academy food drive By the Collaboration with Robin Hood Army NGO On 27th February 2022 (Sunday) at various Places in Mumbai for the social responsibility awareness for the Students of MCA.

In these events the Students of BVIMIT has worked as Volunteer with Robin Hood Army NGO in cleaning the mangrove darden, for distributing foods and teaching to the kids of Slum are and in Distributing the family happiness kit to the front line workers.

At Khandeshwar cluster, (mota khanda gaon, beside alliance construction), New Panvel cluster (beside Shreyas Hospital opposite Bank of India), Panvel cluster (opposite Garden hotel, behind simran motors), Kharghar cluster (Dhamole Village), Nerul Cluster (Juinagar), Dadar Cluster and Thane Cluster.

International conference on Emerging Trends: Innovations & Challenges in Information Technology & Management ICET-2022:

International conference on Emerging Trends: Innovations & Challenges in Information Technology & Management, ICET 2022, organized by Bharati Vidyapeeth's Institute of Management & Information Technology on 24th and 25th June 2022.

ICET 2022 is organized for the presentation of technological advancement and research in the field of theoretical, experimental and applied area. ICET 2022 has a profound influence on all the braces of computer applications, computer science and management as well. New technologies are constantly emerging which are enabling application in various domains and services.

Our conference is associated with two journals. Conference proceedings will be published in International Journal of Computer Applications and also the best quality papers will be published in [International Journal of Information Technology, which is Scopus indexed and published by Springer Nature. Total 124 papers received in the conference and after checking plagiarism the papers were send for blind review. After the review process, 39 papers were selected for presentation. The conference started with the welcome and opening ceremony on first day at 11.00 am.](#)

After the welcome address, the chief guest and Keynote speaker Dr. Atul M. Gonsai, Department of Computer Science, Saurashtra University, Rajkot and Guest of Honour- Mr. Vinay Arora , Delivery Head-Security, NGM India FS(senior Consultant)at TCS, addressed the conference. Chief Guest and Keynote speaker shared knowledge and rich experience of application of ICT in their companies.

The paper presentations were scheduled in 5 tracks. The first three tracks were conducted parallel on first day of conference after lunch break and the remaining two tracks were conducted parallel on second of conference. Hundreds of attendees, paper presenters and students have benefited in many ways from this conference.

Hundreds of attendees, paper presenters, keynote speakers & students have benefited in many ways from this conference. 26 papers were presented by author's. Invited; Keynote & Speakers from different domain addressed audience and shared knowledge and rich experience of application of ICT in their companies

IMPORTANT DATES

Abstract Submission : 08th April 2022
Full Pap or Submission : 20th May 2022
Acceptance Notification : 04th June 2022
Last date for Registration: 15th June 2022

PAPER SUBMISSION

- Submit only novel, previously unpublished papers in the area of computer applications and Information Technology. The first page of the manuscript must include the title, authors with affiliations and detailed address including email, abstract and at least 5 keywords. Papers are to be submitted through email: bvmit.conference@bharativedyapeeth.edu
- All papers will be carefully reviewed by experts and reviews will be reverted to the author(s) with comments to ensure the high quality of the accepted papers.

REGISTRATION

- Registration of all the authors is mandatory for the publications of papers.
- Only authors are allowed to present their papers in the conference according to the program schedule.
- Participation certificate will be issued only to the registered participants.
- All correspondence will be done with the authors through email only.
- Visit www.bvmit.co.in for conference updates.
- To download registration form, copy right form and paper template visit the website.

REGISTRATION FEES

Students/Faculty/Research Scholars - Rs. 800/-
Industry Delegates - Rs. 1500/-
Foreign Delegates - \$ 30

CALL FOR PAPERS
ICET 2022 is the premier forum for the presentation of new advances and research in the fields of IT. The conference will bring together academicians, leading researchers, engineers and scientists in the domain of interest in and around the country. Topics of interest for submission include, but not limited to:

- ◆ Artificial Intelligence tools and applications
- ◆ Big Data and Data Analytics
- ◆ Business Intelligence
- ◆ Distributed and Parallel Computing
- ◆ Embedded System
- ◆ Human computer interaction & User Experience Design
- ◆ Image Processing and Pattern recognition
- ◆ Internet of Things
- ◆ Machine learning & Deep Learning
- ◆ Networking and Communications
- ◆ Multimedia and Computer Graphics
- ◆ Natural Language Processing
- ◆ Robotic Process Automation
- ◆ Search Engine Optimization
- ◆ Software Engineering
- ◆ Web Applications and Web services
- ◆ Digital and Cyber Security
- ◆ Virtual Reality and Augmented Reality
- ◆ Quantum Computing

ADVISORY COMMITTEE
Dr. Sri Ganesh Thotempudi, Heidelberg University, Germany
Mr. Siddharth Sengupta, Director AWS Business Unit, TCS , USA
Dr. Resmi Ramachandran Pillai, Linköping University, Sweden
Mr. S.Vaddadi, Managing Director, SSIT Inc, San Jose, California
Dr. Gopakumar Thampi, Principal, TSEC, University of Mumbai
Dr. Sachin Kadam, Director - ICT, Bharati Vidyapeeth University, Pune
Dr. Bindu Krishnan, Professor & Head, Dept of Data Science, CS & IT, Jain University, Kerala
Dr. Rajeev R R, Programme Head, ICFSS, Kerala
Dr. Arinash Sharma, Principal, Maharshi Markandeshwar Eng. College, Haryana.
Dr. Narendra M. Shekhar, HOD CS, D.J.Sanghvi College of Engineering, Mumbai
Dr. Ganesh Magar, HOD, PG Dept. of CS, SNDT University

ORGANIZING COMMITTEE
Dr. Jyoti Kharade, Associate Professor, BVIMIT
Ms. Shrawani Pawar, Assistant Professor, BVIMIT
Mr. Shambhu Rai, Assistant Professor, BVIMIT
Ms. Gunjan Behl, Assistant Professor, BVIMIT
Ms. Nidhi, Assistant Professor, BVIMIT

BVIMIT organized e-Alumni Meet MILAN-2023:

MILAN is an annual gathering organized for its Graduated students of M.C.A. department. This meet is a gathering at institution level where the final year students get the opportunity to interact with their seniors who share their experiences in outside world, which they faced after stepping out of the institution. The institution feels proud on seeing all its successful alumni and have a very concrete interaction. The meet also creates a platform to identify the college's most distinguished alumni.

This year as always BVIMIT held its Alumni meet on 18th March, 2023

The meet was held offline as well as in an online mode. The Alumnus who were not able to be present online were shared a Google Meet Invite for the same. It was a very nostalgic moment where the passed student recollected their memories of college days, teachers and the beautiful infrastructure.

Ms. Vani Venkat chief Guest grace the Milan-2023

Seminar on "Business Plan Your Key to Your Start-up":

As term start-up has gained a lot of popularity these days and more and more students are interested in becoming entrepreneur by considering this need of students Bharati Vidyapeeth's Institute of Management & Information Technology, Navi Mumbai Organized Seminar on topic "Business plan-your key to your start-up" dated 10 Jan 2023. Seminar was conducted to get more idea about how one can start the start-up. The guest speaker of the session was Dr. Purvi Pujari, Associate Professor BVIMSR, Navi Mumba. BVIMIT principal Dr. Suhasini Vijaykumar, all the faculty members and students of MCA department are present at this event. Session commenced with the rules of start-up, problems faced while start-up, pillars to initiate the start-up, woman in entrepreneurship etc. speaker had given one task to all the students and from that they will be knowing that are they have the ability to be a successful entrepreneur or not. The seminar was Organised by Start Up Committee under IIC Ms Gunjan Behl Ms. Nidhi.

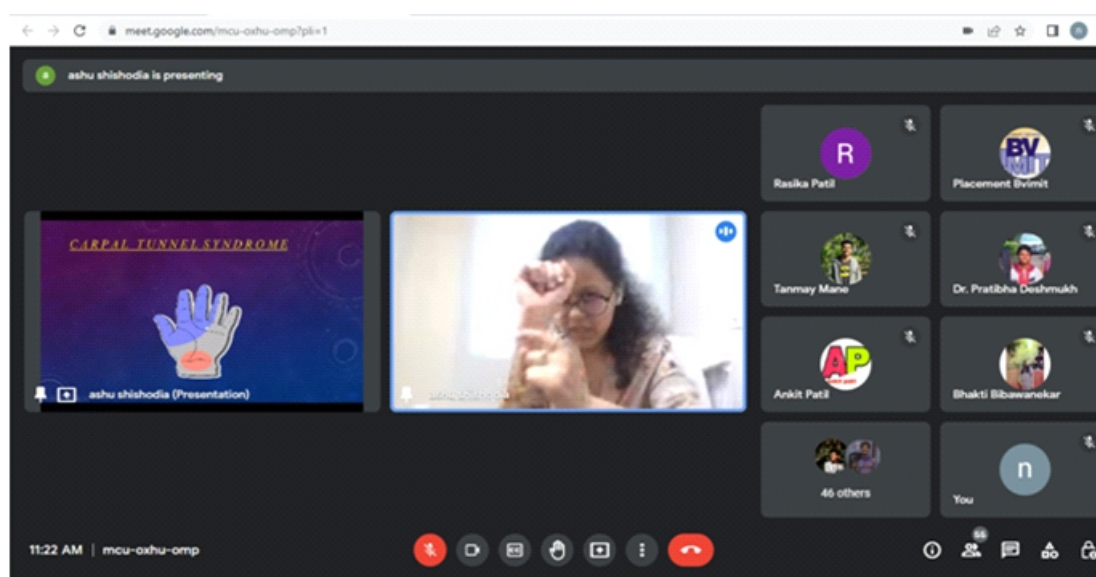

Seminar on " Effective Research Paper Writing ":

R&D Cell of Vidyapeeth's Institute of Management Information Technology (BVIMIT), Navi Mumbai organized a webinar on "Effective Research Paper Writing", on 13/December/2022 at 1.30 pm for MCA Sem IV students. Resource Person: Dr. Priya Chandran, BVIMIT The webinar covered the following stages of writing: Preliminary Thought and Discussion Research Organization Writing Revising Editing A research paper is a piece of academic writing that provides analysis, interpretation, and argument based on in-depth independent research. Writing a research paper requires demonstrating a strong knowledge of your topic, engaging with a variety of sources, and makes an original contribution to the debate. The structure of the research paper was discussed during the session. The students were clear about the basic steps of research as well as how to incorporate and document outside source material in a research project. The step-by-step guidelines discussed will help the students to rough the entire writing process, from understanding the problem to proofreading their final draft.

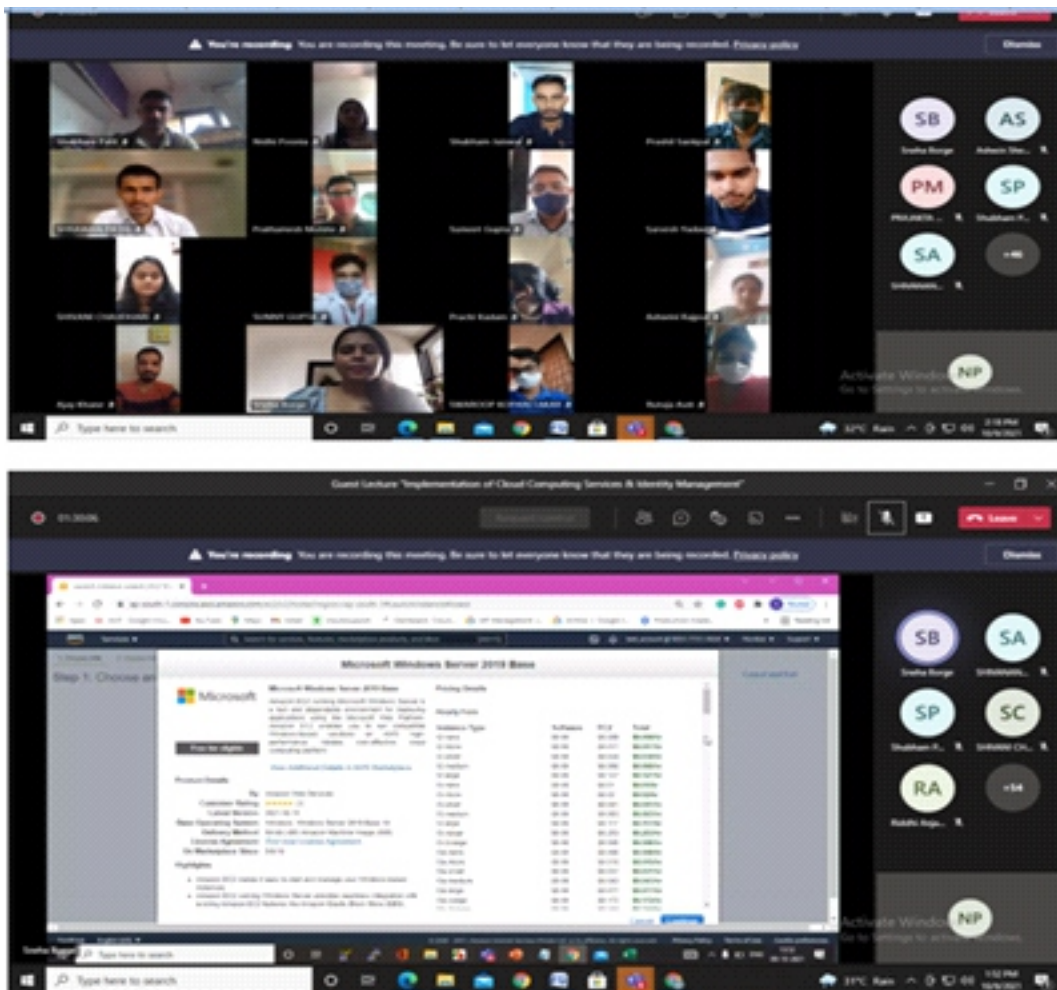

Webinar & Training Session on "Ergonomic Astra -Let's Unleash Your Superpower"

BVIMIT, Navi Mumbai IQAC and Women Development Cell organized an informative webinar and training session on "Ergonomic Astra -Let's Unleash Your Superpower" Saturday 1st October 2022 in association with Bharati Vidyapeeth Medicover Hospital Kharghar Navi Mumbai. In the session sitting posters while using laptop/ computer and mobile devices at work place was given to the faculties and students. Stretching training exercises during day to day work was demonstrated by the speaker Dr. Ashu Shishodia, Physiotherapist Medicover Hospital. She gave remedies to reduces fatigue, increase blood supply to muscles and Prevent Muscle Strain Injuries, Increase Muscle Coordination and Balance by improving Posture. All teaching staff and students from Bharati Vidyapeeth IMIT Navi, Mumbai Belapur campus took benefit of the session.

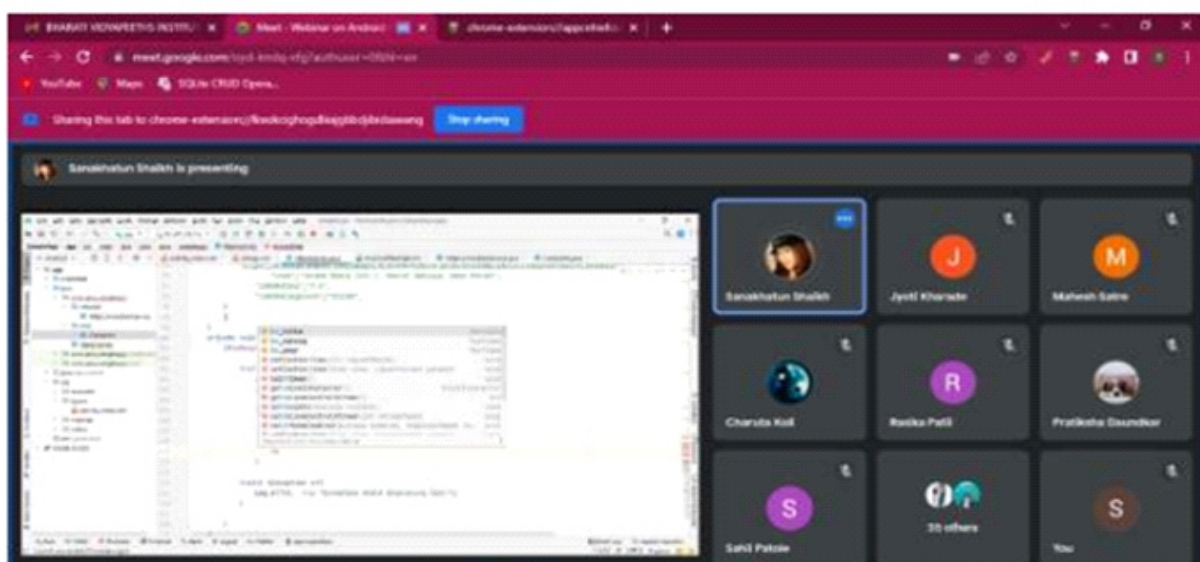

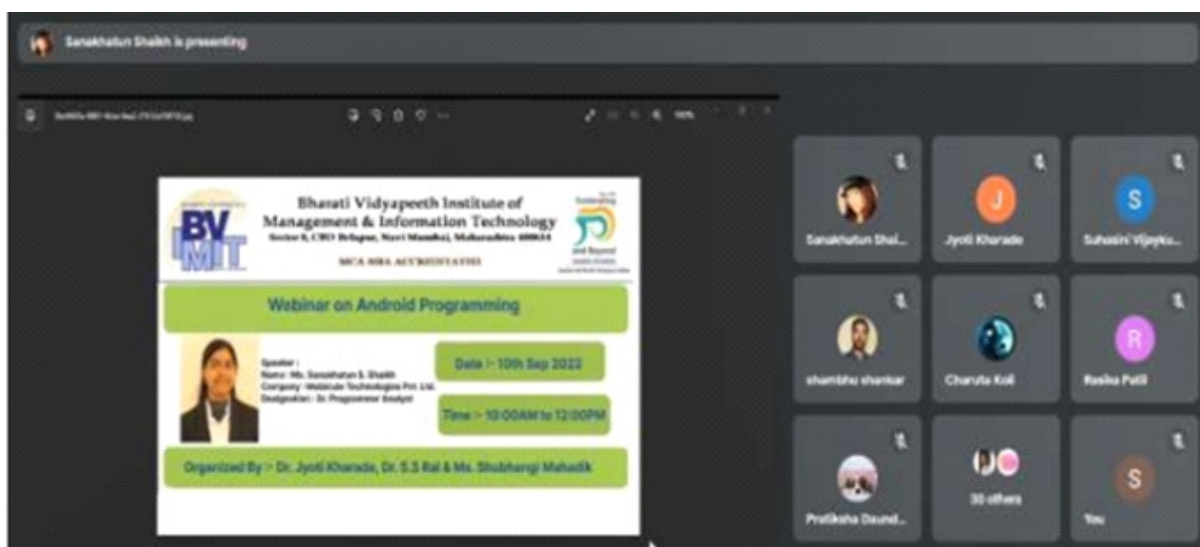

Webinar on "Cloud Computing Services & Identity Management"

Bharati Vidyapeeth's IMIT organized one-day online Faculty Development Program and Student Development Program on 24th September 2022 on "Cloud Computing Services & Identity Management" for Faculty Members and students of MCA department. Ms. Sneha Borge Cloud Engineer, from Cloudxchange.io Mumbai was the trainer for this FDP & SDP. Session started at 11:00 a.m This online hands on session was conducted to understand cloud computing concepts and MCA Sem 3 students and faculties attended the FDP & SDP session and got beneficial organized by Dr. Jyoti Kharade, Dr Kirti Muley and Prof Nidhi.

Webinar on "Android Programming":

Bharati Vidyapeeth's IMIT organized a webinar for MCA students on "Android programming" on 10th Sep 2022. Ms. Sanakhatun S. Shaikh, Sr. Programmer Analyst, Mobicule Technologies Pvt.Ltd. was the Industrial Expert for this event. This webinar was conducted to aware students about the various domains of Rest API applications and publish android application, a student should know. In this webinar, students come to know various Rest APIs implemented. In this webinar, speaker demonstrates how the RESTful APIs help for make your mobile app more reliable, portable, simplified, and visible. She talks about various Mobile APIs can enhance the core features of an app, like GPS data and databases. This will improve the experience on each mobile device of end users. The session came to an end, with a vote of thanks

Industry Institute Interaction:

Industry Institute Interaction 1:

On 6th and 7th May 2022 Team from SSIT had visited our college to interact with the students and to sign an Memorandum of Understanding between SSIT and Bharati Vidyapeeth's Institute of Management and Information Technology. We had Mr. Sri, CEO and MD SSIT at our campus having more than 16 years of experience in Technology and Management took session on SAP for Day 1 and Business Intelligence on Day 2.

At the onset he briefed the students about the company and the latest technology upon which the currently is working and also the areas where the students must get certified to find a suitable job in the IT market.

He briefed the students about SAP and ERP and also provided a brief history about SAP. How processes are working in SAP and what kind of projects the students can expect in this technology. He also briefly spoke about SAP architecture and some live examples pertaining to it.

On Day 2 Mr. Sri took session on Business Intelligence. It was again a 2 hr session. He briefed the students about the past, present and future of this technology to the students. He discussed as to what remarkable changes this brings to all levels of the business domain. He also discussed about the keys stages of BI and gave live examples and latest trends and what would be the impact of students learning this technology. Towards the end there was Question and Answer round where the students asked the questions promptly and cleared all their doubts. It was a remarkable and fruitful interaction for the students.

Industry interaction with Mr. Sri, CEO and MD SSIT and Mrs. Maha

After a positive response through the Workshop, there shall be a course planned out in Block chain. This point has to be further discussed and to be planned out by IDBI Intech Trainers shortly.

Industry Interaction with Mr. Sharath Nair IDBI Intech Ltd. And his team with BVIMIT TPO

MCA Sem - I Orientation Programme (2022-23)

MCA Sem-I orientation programme was held on 29th November 2022. The purpose behind the orientation programme was to make the students aware about the academics and industry. The programme was inaugurated by Dr. Suhasini Vijaykumar, Principal, BVIMIT, Navi Mumbai. The programme continued with a warm welcome to the fresher's and introduced students to Bharati Family. She also gave a brief introduction about the curriculum, the institute, discipline, exams and all other related issues.

The session 1 started with industry interaction. Mr. Shailesh Bedarkar (IDBI) Head – Corporate Academia Initiatives and Ms. Vani Venkat. Senior Associate Manager in IDBI Intech Ltd. interacted with students on recent trends in IT Industries. He gave valuable guidance to the students by discussing on various topics related to academics and industry.

The session 2 was started with Prof. Dr. U. C. Rai, Mr. Shrirang Jhadav and their team of International Sahaja Yoga Research and Health Centre. They interacted with the students and spoke on “true gift to the humanity “ and delivered Sahaj Yoga steps.

The session 3 started with interaction with Placement Officer Prof. Manish Dubey and Prof. Sudeshna Roy. They discussed about BVIMIT placement activity and aptitude and interview preparation methods.

During post lunch session 4 Caption Devesh Kumar addressed the students on Personality Development which would be helpful for them in future. The great session on personality Development interacted with students and cleared their doubts regarding the personalities required for the interview and choosing right career.

The next session 5 was conducted by Dr. Nikhil Varge Consultant internal medicine MBBS, MD on stress management. He told about Management of diabetic patients, management of cardio metabolic disease and obesity, managing critically ill patients, handling all sorts of medical emergencies and many more.

ISR Coordinator, Mr. Shambhu Rai and MOOC Coordinator, Dr. Pratibha Deshmukh addressed the students in post lunch session.

By organizing such programs, students gained knowledge which would help them prepare for future. By interacting with the experts, they gained practical knowledge about industry by sharing their experience. The programme was very successful with active participation of faculties and students with a positive feedback.

Mr. Kamal Sharma MD & Co-founder of Addend Analytics was Chief Guest for Convocation Ceremony – 2022

Manthan - 2023:

MANTHAN - 2023 is the ceremonious fest organized by BVIMIT which has evolved over the years as Navi Mumbai's largest IT Festival. The two-day fest was organised this year on 14th and 15th November 2022 with "Lokmat" as printing media partner. The word MANTHAN is popularized since ancient times because of "Samudra Manthan" which has given many gems to humanity, and this is the thought behind Manthan. It is an amalgamation of entertainment, excitement, and showcasing the potential of the youth. Manthan has established itself as one of the most enthralling cultural festivals in Continuing with the tradition of providing an academically and culturally stimulating atmosphere. We tend to incline our ideas towards massive crowd, competitions, and cultural diversities which certainly gift us with a huge package of memories. Interacting with different people, trying to understand their ideologies, and working with them is the crux of the event. Every student should experience being a part of College Fest at least once during their undergraduate and post graduate studies. And here in BHARTI VIDYAPEETH we give equal opportunity to all the students to be a part of our Inter Collegiate Fest "MANTHAN". MANTHAN believes in still originality and individuality. Every student has their own areas of interest and accordingly they are assigned task. We believe in promoting creative ideas and a platform for students, to share their knowledge through MANTHAN

The only aim is to motivate the students to think innovatively and to implement their ideas through the channel know as College Fest. The events which are conducted in MANTHAN can be broadly classified into the following sections:

लोकमत

'बीव्हीआयएमआयटी'च्या 'मंथन'चा जल्लोष..!

नवी मुंबई : मंथन बीव्हीआयएमआयटीद्वारे दरवर्षी होणारा इंट्रा कॉलेज फेस्टिव्हलला यंदाही विद्यार्थ्यांचा उत्स्फूर्त प्रतिसाद मिळाला. यात १५ महाविद्यालयातील ५०० पेक्षा जास्त विद्यार्थ्यांनी सहभाग घेतला. यंदाचा चौदावा फेस्टिव्हल १४ व १५ नोव्हेंबर असा दोन दिवस

रंगला. विविध कार्यक्रमांनी फेस्टिव्हलची रंगत वाढविली. अपोलो हॉस्पिटलचे नवी मुंबई, मेडिकव्हर हॉस्पिटल्स खारघर, नेक्स्ट आर्किटेक्चर, एडुव्हेंचर, सुल्फ आयटी सोल्यूशन्स, इडिएट (पॉईंट बाय रॅक माय बिझनेस, इंडियाना मार्टीटाइम प्रायव्हेट लिमिटेड, ज्योती व्लासेस हे

कार्यक्रमाचे प्रायोजक होते. डॉ. विश्वजित कदम, सचिव, भारती विद्यापीठ, डॉ. विलासराव कदम, कॅम्पस डायरेक्टर भारती विद्यापीठ शिक्षण संकुल नवी मुंबई, प्राचार्य डॉ. सुहासिनी विजयकुमार यांचे मार्गदर्शन लाभले. प्रा. गुंजन व प्रा. निधी यांनी मंथनचे नियोजन केले.

Event: 14th NOVEMBER 2022 MANTHAN Day 1-IT, NON IT, SPORTS

14 February 2022 in the Belapur Campus inaugurated by Principal Dr. Suhasini VijayaKumar various indoor and outdoor games were organized with a view to 'Experience True Sporting' and the main objective was to encourage active participation among all students as well as to recognize individual sporting achievements. The students participated in the various IT (googler, rapid fire, UI/UX design, NFS, CS 1.6) and Non-IT (mehndi, rangoli, makeup, hairstyling, reels and photography) events with indoor (Ludo, chess, neon cricket) and outdoor games (box cricket, treasure hunt, badminton). There is importance of Sports in the life of every individual. One must take sports to enrich himself with the Skills of Decision Making, Positive attitude and keep one healthy.

Dr. Suhasini Vijayakumar Principal BVIMIT inaugurated the Sports Event on Day-1 MANTHAN - 2023

Event: 15th NOVEMBER 2022 MANTHAN Day 2-Cultural Events

On 10th, 11th, 12th February 2020 in the Belapur Campus various Day 2 was wholly dedicated to cultural events. Welcome speech was given by Mrs Gunjan Behl convenor of Manthan 2022. As part of this cultural fest, back-to-back inter house competitions were conducted, events such as group dance, solo dance, group ramp walk, solo ramp walk with stress interview saw enthusiastic participation from scores of students. Competition was stiff and judges Abhay Jackson for dance competition and Krisha Jain for ramp walk had a difficult time choosing winners. "The competitions helped foster friendly relations between students of different branches and interests. In the end cultural was concluded by giving vote of thanks by Mrs. Nidhi convenor of Manthan 2022. The organizers of College Fest experienced a wide variety of emotions from despair to joyful highs, they had a big 'hand' in making these 2 days enjoyable for all. The success of College Fest tests the organizational and leadership abilities of all the folks involved in it. Many vital lessons on time management and as well as lessons on people management were learnt and taught quickly to make the festival a success. However, college festivals are about enjoying your-self, living in the moment, and gathering experiences that will endure long even after college days

Dance Competition judge Abhay Jackson was felicitated by Ms. Nidhi and Gunjan Behl Manthan-2023 Coordinators.

Dance Competition judge Abhay Jackson was felicitated by Ms. Nidhi and Gunjan Behl Manthan-2023 Coordinators

Placement Guidelines & Policy for Students

(For Summer Internship and Final Placement)

- *Contacted and send invitations for conducting placement to companies with relevant information.
- *Companies share the Job Description regarding vacant positions to the placement cell or concerned person.
- *The Job Description is made available to the students along with the company details.
- *The details of interested students are shared to companies for short listing as per company's request.
- *Placement committee schedules the date and time for campus interviews. The company can confirm or negotiate the date and time with the placement coordinator.
- *If the company would like to conduct Pre-Placement talk, they can send a request to placement coordinator with date and time.
- *Company conduct interviews on confirmed dates.
- *The list of selected students will be provided by the company after completion of selection procedure.
- *Once the student is selected and accepted the offer of a particular company then the student is not allowed to appear for the interview of other companies as per the placement policy.

PLACEMENT VISION MISSION & GOAL

Vision:

Enhance the computational knowledge among the students to meet out the corporate IT expectation.

Mission:

To partner with IT industries where, the industries can provide the best opportunities to the students, so that they can enhance their skill set.

Goal:

The Goal of the training and Placement Cell of BVIMIT is to create an academic environment for realizing student's best possible career path.

Internship and Final Placement

For the students seeking jobs, through Campus Recruitment, the placement process starts with collection of resumes from the aspiring students. The Placement Cell provides assistance only to students who go through this process.

Pre-Placement Activities

Mock PDP aptitude

Campus Recruitment Process

The Placement Cell invites prospective industries in the months of July to December of every academic Calendar, along with all relevant information to participate in the campus recruitment at the Institute. The industries, in turn, can also contact the Institute's Placement Cell for their requirement. Requirements of a company are received by Placement Cell. The same is formulized by initiating a meeting of the Placement Committee. The Placement Cell circulates the requirement to the students and subsequently the list of students' profile is forwarded to the corporate. The venue for campus recruitment depends on Company's plan to arrange campus placement either at the Institute or go for pool campus with nearby Institutes or at the premises of Company.

Placement Process

*Companies have an option to give a Pre-Placement Talk (PPT) laying out the details of the company and the offer before the selection process. In case there is no PPT by the company, then the students have to appear directly for Interview process.

*Once the student appears for the process and gets selected the student cannot reject the offer made by the company.

*In case a company has a specific requirement / request, the Placement Committee has all the rights to nominate a set / individual student(s) and it is mandatory for the student/s to attend the interview.

*Each student shall be eligible for only one offer.

*A company is free to make their choice of students as per their desecration.

If the Pre-Placement Offer is accepted, the student will have to opt out of the institute placement process.

*However, a student with pending Pre-Placement Interview Offer is eligible to participate in the placement process.

*No further attempts will be permitted to the students who have secured offers from any company, irrespective of job profile, salary offered, etc. Thus, students can have only one job offer. All the students who secure an offer will have to compulsorily join the Company.

*In case a student who is placed through the institute's placement process takes up a offer through private placement in an another company, the Director-BVIMSR, in consultation with the companies concerned, shall have the right to nullify both the offers.

*All correspondence to and from the company will be routed through the Placement Cell only.

*Students must keep their Identity Card with them at the time of PPT/Test/Group Discussion/Interviews, and produce the same whenever asked by the visiting team or their representatives.

*Students who are not meeting with the eligibility criteria set by the Placement cell shall not be allowed for placement activities.

Examination code of conduct

*In their own interest all students are expected to have 100% attendance in the classes.

*A student can appear in an end-semester examination for a particular course only when he has put in a minimum attendance of 75% in that course.

*A learner secures at least 45% marks in each head of passing.

*If student fails in any subject, can apply for rechecking of the marks by paying the prescribed fees.

*Resorting to unfair means in the examination is a serious offence. Punishment would be debarring from the concerned exam or even rustication from the institute.

*For the examination, students should be seated 15 minutes prior to the commencement of the exam.

*Books, Notes, Mobiles, programmable calculators, digital diaries, books and scribbling papers etc. and all study material should be kept away as instructed by Supervisors.

*Nothing should be written on body, scale, calculators, pencils, eraser, question paper etc.

*Talking to other students while in the Examination Hall is not permitted.

*Use of any unfair means during the examination is strictly prohibited.

CODE OF CONDUCT

Discipline

- *The student shall observe and follow the academic calendar of the Institute.
- *Any act of indiscipline or misbehavior by any student will attract severe penalties / punishment.
- *Damage to Institute & campus property due to negligence/lack of care would attract punishment and compensation for loss caused.
- *Students shall only use the waste bins for dispensing waste materials within the Campus including classrooms, LABS.
- *No person shall be invited to address or entertain the students of the college, without the previous written permission of authorities.
- *Students are prohibited from indulging in anti-institutional, anti-national, antisocial, communal, immoral or political expressions and activities within the Campus and hostels.
- *All Educational tours or Industrial visits shall be accompanied by the faculty members after obtaining necessary undertaking from the Parents / Guardian of the students'
- *Unauthorized entry of outsiders into the campus as well as hostels is strictly prohibited. Without specific permission of the authorities, students shall not bring outsiders to the College.

I-CARD

- *The student should take her Identity Card and Library Card for issuing books from the Library at the beginning of the year.
- *The student should collect her I- Card within 15 days from the date of admission.
- *The student should carry identity card with her regularly and the identity card should be produce when demanded by the authorized persons of the Institute.

RAGGING

ACTION TO BE TAKEN AGAINST STUDENTS INDULGING AND Abetting in ragging as per the directions of hon'ble Supreme Court of India. Maharashtra Act no. Xxxiii of 1999, the Maharashtra Prohibition of Ragging Act, 1999. (as modified up to the 29th august 2012)

- *Cancellation of admission and also debarred from taking admission in any technical institution in India.
- *Suspension from attending classes.
- *Withholding/Withdrawing scholarship / fellowship and other benefits.

*Debarring from appearing in any test/ examination or other evaluation process.

*Withholding results.

*Debarred from representing the institution in any regional, national or international meet, tournament, youth festival etc.
